

## LED Fog Lamp 6000 K 82.0 mm PGJ19-X

The NEOLUX LED Fog Lamp is an upgrade solution for forward lighting powered by the latest LED technology that features a cold white color temperature of 6,000 K. Aside from their unique appearance, these lamps are a suitable complement to existing HID and LED systems and provide a homogenous and modern look. With an even distribution of light and a clearly defined cut-off line, it limits glare, allowing for better visibility on the road.

### Product family benefits

- Upgrade with the latest LED technology providing a modern look
- Ideal match for HID and LED systems
- No need for brackets
- Better visibility with limited glare
- Longer replacement cycle

### Product family features

- Contemporary, cold white color temperature with 6,000 K
- High brightness
- Suitable for H8/H11/H16 fog lamps
- Even light distribution
- Long lifetime

### Areas of application

- Fog lamps

NH81116CW

**Product information**

Product type (off-road vs. on-road)	Off-road
Application (Category and Product specific)	Mainly used for headlight/ fog light applications

**Electrical data**

Power input	12.76 W
Test voltage	13.5 V
Power input tolerance	±10 %
Nominal wattage	11.60 W
Nominal voltage	12.0 V

**Photometrical data**

Color temperature	6000 K
Luminous flux	690 lm
Luminous flux tolerance	±15 %
Light color LED	Cool white

**Dimensions & weight**

Diameter	42.0 mm
Product weight	100.00 g
Length	82.0 mm

**Lifespan**

Lifespan Tc	1000 h
Lifespan B3	1000 h

**Additional product data**

Base (standard designation)	PGJ19-1/2/3
-----------------------------	-------------

**Capabilities**

Technology	LED
------------	-----

**Certificates & standards**

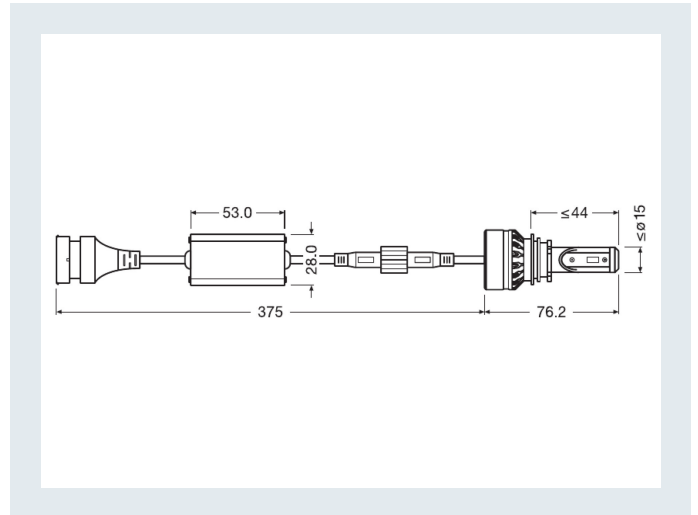

ECE category	△ H8/H11/H16
--------------	--------------

**Logistical data**

Order reference	NH81116CW
-----------------	-----------

**Packaging Information**

Packaging description	EAN	Packaging type	Amount of article
NEOLUX NH81116CW	4052899520752	Folding box	2

**Legal advice**

These products do not have ECE approval. This means they must not be used on public roads in any exterior application. Use on public roads leads to cancellation of operating license and loss of insurance coverage. Several countries do not allow sale and use of these products. Please contact your local distributor for information on the availability in your country.
